Park Programs

Montague Harbour Provincial Marine Park

Summer 2015 at the Nature House

Join Monika, the Park Naturalist for the summer season

FRIDAYS

11:00am - 12:30pm

Dockside spying Come search and learn all about the colourful and lively creatures living just below the water on our dockside! *Meet at the Nature House*

1:00 - 4:00 pm

Come explore the Floating Nature House! Our fun filled floating nature house is yours to enjoy. Learn interesting facts and ask questions about Montague Harbour Marine Park and its beautiful biodiversity.

SATURDAYS & SUNDAYS

11:00am - 12:30pm

Interpretive Walk: Sensing your surroundings. Use your senses to discover the flora and fauna of the park's forest and intertidal areas! Learn about indigenous uses of plants and the history of Montague Harbour Marine Park. *Meet at the Boat Launch*

1:00 - 4:00 pm

Nature House open to the public. Come touch, read and enjoy the interactive learning center located on the dock.

SATURDAY NIGHTS ONLY

9:30 - 10:15 pm

Night Light Show! By mimicking the full moon in our floating nature house watch as worms, fish, isopods and much more rise from the depths of the ocean for an amazing show. Who knows what will emerge! *Advanced sign up required for the floating nature house (15 max)
